TREATING ACTIVE PEOPLE OF ALL AGES

SPORTSMED·SA is a world class sports medicine clinic dedicated to caring for active people of all ages.

Owned and operated by the practitioners who work here, we share a passion for sports medicine. This has contributed to our reputation as a preferred place of treatment for elite sporting teams and athletes throughout Australia.

SPORTSMED·SA's doctors are experienced in treating athletes from all sports. We provide medical services for a range of elite sporting teams and athletes, including those from Port Adelaide Football Club (AFL), Adelaide 36ers (NBL), Norwood and Sturt Football Clubs (SANFL) and the South Australian Institute of Sport. However, elite medical care is not just reserved for elite athletes.

We pride ourselves in providing this same level of care to all patients, whether they are professional sports men and women, social athletes or simply busy people wishing to stay active.

With dedication for acquiring the most up-to-date knowledge and skills, SPORTSMED·SA's doctors are able to provide every patient with expert care. Ongoing sports medicine education covering acute injury management, sport-specific injuries and injury prevention are routine at SPORTSMED·SA.

SPORTSMED·SA is committed to providing each patient with the best possible medical care. We aim to help every patient get 'back on track' so they can achieve the most out of life.

SPORTSM

SPORTSMED·SA doctors specialise in treating sporting injuries and are experts in musculoskeletal and arthritis problems. We also manage general practice conditions such as asthma and diabetes. We perform medical assessments including dive medicals and offer on-site X-ray facilities.

Our doctors are active members of Sports Medicine Australia and are involved in numerous projects to benefit the community, such as education seminars and sports medicine research. We participate in the undergraduate and postgraduate training of future medical professionals through the University of Adelaide Medical School, Sports Medicine Australia and the Royal Australian College of General Practitioners. In addition to treating active people of all ages, our sports doctors and GPs have experience with the following sporting teams.

Making and Attending an Appointment

Consultations with SPORTSMED·SA's doctors are available at the Stepney and Morphett Vale Branches.

Appointments can be made at Stepney between 8:00 am to 7:00 pm on weekdays by telephoning 8362 8111 or 8130 1222 and selecting 'sports doctor or general practitioner'. If your condition is urgent or you require immediate attention, please advise the receptionist when telephoning.

To make an appointment at our Morphett Vale Branch, please telephone 8326 2111.

Appointments are generally 15 minutes in duration. If you require a longer consultation please advise the receptionist when booking your appointment. Please let us know if your contact details have changed, so we can update our records.

Occasionally medical students and doctors sit in on patient consultations - please inform the receptionist if you are uncomfortable with this situation.

Please bring your Medicare card with you for all visits.

Weekend Service

The clinic at Stepney is open from 9:00 am to 5:00 pm on Saturdays and Sundays, primarily as a sports casualty service. Bookings can be made on the day from 9:00 am by telephoning 8362 8111. Priority is given to urgent cases. We are often open later during the football season. If possible, please telephone before attending the clinic to avoid waiting longer than necessary.

Other Services

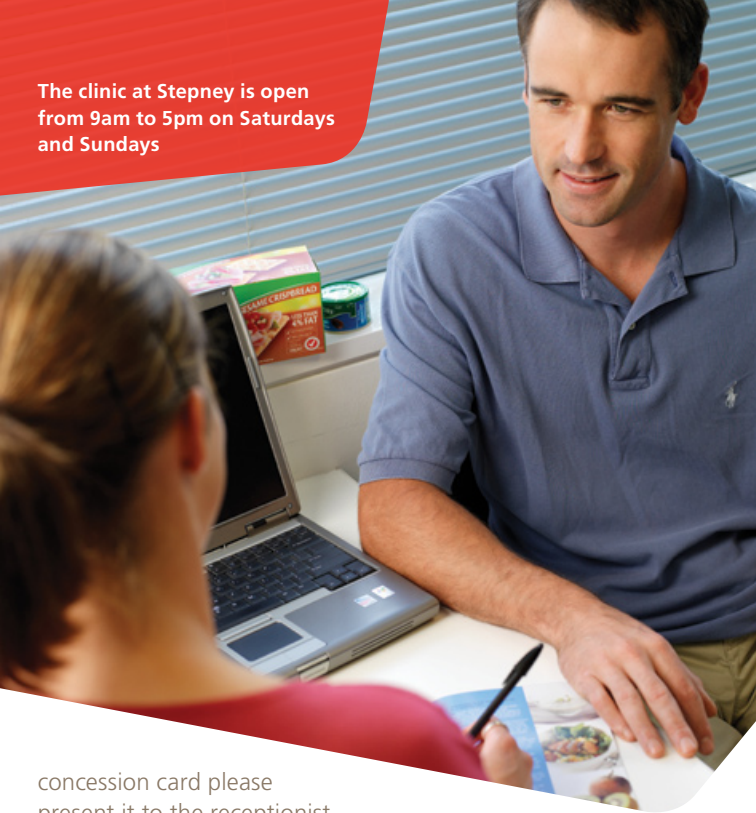

Dietetics and sport psychology services are also available through the Medical Division. Appointments can be made by telephoning 8362 8111.

We work closely with the Physiotherapy, Podiatry and Orthopaedic Divisions to provide comprehensive care for our patients. This includes allied health services such as massage, personal training, occupational therapy and hydrotherapy. SPORTSMED·SA also has a private, 45 bed orthopaedic hospital and day surgery on-site at Stepney.

Fees & Charges

Payment is required on the day for all consultations and X-rays. We accept most credit cards, cheques and EFTPOS. If you have a

concession card please present it to the receptionist as you may be eligible for a discount.

If your injury is a WorkCover case please advise the receptionist. All Third Party claims must be paid for on the day of the consultation.

A \$10.00 administration charge will be added if the account is not paid on the day. If you anticipate difficulty in finalising your account, please discuss this with the receptionist prior to your appointment.

Our X-ray fees are kept to a minimum, with gap payments comparing favourably with the larger X-ray practices.

Your Feedback

Our aim is to provide patients with expert advice and treatment in a friendly, comfortable environment. If you are not happy with any aspect of your visit please let us know so that we are able to improve our service.

Privacy

SPORTSMED·SA fully complies with the Privacy Act and upholds your rights to privacy protection as under the National Privacy Principles contained in the Privacy Act 1988. For more information on our privacy policy, please ask any of the Medical Division staff.
